MEMORANDUM FOR: Executive Assistant, Office of Training

SUBJECT : Career Training Regulation

Ernie:

We are returning the various rewrites you have submitted of the regulation for the Career Training Program. They may be pertinent to the study the DTR is now conducting on the Program. In any event, the outcome of his study should suggest additional changes in the regulation.

You should note that while the crosshatched June 1968 version has incorporated the two changes suggested by this Office, the December 1968 failed to include these changes.
